SUCCESS

He has achieved success who has lived well,
laughed often, and loved much;
who has gained the respect of intelligent men,
and the love of little children;
who has filled the niche and accomplished his task;
who has left the world better than he found it,
whether by an improved poppy, a perfect poem, or a rescued soul;
who has never lacked appreciation of earth's beauty,
or failed to express it;
who has always looked for the best in others
and given the best he had;
whose life was an inspiration;
whose memory a benediction.

Dedication

We would like to dedicate our 1983-84 yearbook to the local school board of past and present years. For without their support our school system wouldn't have run as smoothly as it has. We would like to thank them for the time they have spent in making our school 'work' and for having enough concern to get involved.

Thank you,

The Yearbook Staff.

President's Message

I would like to express my thanks to my Council, who without their diligent help this school year would not have turned out as successfully as it has. I would like to thank Mr. Keys, our S.R.C. advisor, and also everyone who supported the S.R.C. projects. Good luck to the 1984-1985 student body.

Schaun Selanders

Principal's Message

Our school has proven that we are able to compete successfully in academics and sports in local, district and provincial levels. In sports we have done well in cross country, volleyball, curling, badminton and track and field. Considering our size we should be proud of our achievements and the athletes that made them possible. In academics we were honored to have Melanie Mitchell win the Governor Generals's Bronze Medal Award for the first time in the school's history.

Our school has an immense amount of raw talent which can raise the caliber of competition our school can provide at the various levels. It is my hope that you, the students, seize the opportunities that are presented and excell to both your physical and mental limits. If you give your "all" to any task set before you, you will go far in tomorrow's world.

I congratulate you on your past accomplishments and wish you well in your future endeavors.

Editor's Message

Looking back on the school year and forward to the school's future achievements, I feel this yearbook represents a form of success that students should be proud of. Hopefully this memoir of our school years will bring back fond memories. I wish to express my sincerest thanks to the staff for such diligent help and for the generous offering of their time.

Above all, our staff advisor Miss Miller, deserves great recognition for her advice and guidance. May the future editor and staff have the same cooperation and success.

Freshie Day

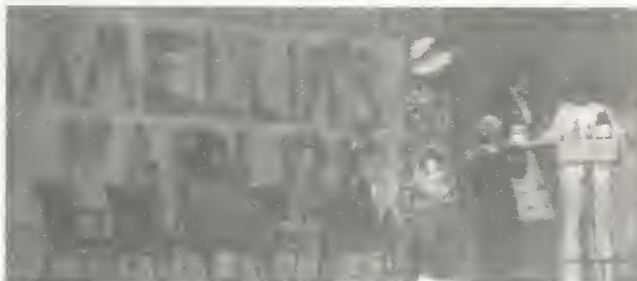

Freshie Day '83 was held on October 6. The Grade Nine Class showed up in a variety of fashion designs, right from Miss Prairie Dog Canada to a Hula Dancer to several cute little ladies. The considerate Grade 12 masters modelled their wares to all of the grades and then to the downtown at noon hour. Freshie Day concluded with Kangaroo Court, and each Grade 9 student was found guilty of the crimes of the day. Sentencing was to follow with some of the most ridiculous punishments.

Christmas Concert

The 1983 Christmas Concert took place on December 22. The evening consisted of a variety of acts including all grades. The elementary grades put on several musical numbers as well as a recital from the Kindergarten class. The students from Grades 7-12 put on several plays. This portion of the evening featured: The Truth Telling Machine, Aunt Camellia's Beauty Salon, Game Shows, and Charles Dickens' Christmas Carol. The evening concluded with the Senior Choir singing a variety of old seasonal favorites. Lunch was served after by the S.R.C.

DRAMA NIGHT

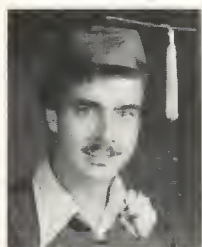

This year's Drama Night was held on April 12, 1984. The evening featured two hilarious comedies; A Case For Two Spies, and Great Smokies. The plays were separated by a series of rock videos and a skit of the Val Marie female teachers, put on by some high school girls. The evening proved to be a great success and was enjoyed by all. Coffee and donuts were served afterwards by the S.R.C.

Cross Country

(1 to r): Shawn Selanders, Terry Palaschak, Monty Selanders, Miss Tresco (Coach).

On Saturday, October 15, high school students from Saskatchewan took part in the Provincial Cross Country Run in Biggar, Saskatchewan. Three students from Val Marie High School attended the competition on Saturday. Shawn Selanders competed in the Senior Boys category, placing 56th provincially. There were approximately 92 runners in the senior run. Considering the level of competition, Shawn did very well, he deserves congratulations for a job well done.

The two other runners were Monty Selanders and Terry Palaschak, who both competed in the Junior category. They had a very good run. Monty placed 66th, while Terry placed 72nd. By placing 66th and 72nd, the two runners managed to cross the finish line approximately 20-25 runners before the last runner in the competition reached the finish line.

All three runners from Val Marie High ran a very good race. With the weather conditions and a difficult course, all three runners gave their best efforts and deserve congratulations. On behalf of the coach, and Val Marie High School, congratulations Shawn, Monty, and Terry for doing your best at the Provincial Cross Country Run.

This year we had a small but determined team. Even though we placed third in unit play, the girls worked hard and tried hard. We lost in playoffs at Shaunavon but the girls played well. With another year of experience behind them, the girls will be a stronger team - one to watch for.

Senior Girls'

Back Row(1 to r): Karen Hayes, Rhonda Borneman, Jodie Nelson, Miss Miller (Coach).

Middle(1 to r): Judy Schmidt, Dionne Legault.

Front Row (1 to r): Tracey Walker, Debbie Pinel.

Senior Girls Volleyball

The senior girls consisted of seven members. Though small in numbers, they were big in talent and power. They placed third in the league but made it to the unit finals, which they lost to Shaunavon. They went on to districts in Frontier where they lost the final to Richmond. The girls played extremely well and they made a name for Val Marie in volleyball.

Val Marie hosted its first volleyball tournament in September. Teams from the unit as well as Frontier, Consul and Vanguard were invited. The girls won the trophy for second place after having a tough battle with Vanguard.

The girls attended a tournament in Kincaid in which they came out victorious. The semi-final match, against Mankota, proved to be the toughest one of the day but with their determination and skill, they proved to be the better team.

This team has great talent and they will definitely be a team to contend with next year.

The Senior Boys Volleyball team had an interesting season this year. We enjoyed our first annual volleyball tournament in Val Marie but lost to Admiral and Frontier. We defeated Consul in the "B" side semifinals. During the regular season, we defeated Shaunavon regularly, but lost to Admiral, regularly.

In the division final we defeated Admiral and Shaunavon to represent our unit in the District Playoffs. We were defeated at the districts but played very well. Next year's prospects look very good. Congratulations to those who worked hard to make this volleyball season a success.

Junior Boys'

Back Row(1 to r): Mr. Miller (Coach), Collin Perrault, Marcel Kozyn, Brett Borneman, Brent Watson, Wayne Andree, Bradley Legault.

Front Row(1 to r): Jeffrey Lewans, Shane Nelson, Jim MacElwain, Daniel James, Derek Selanders, Danny Coupe.

The junior volleyball team had a good season. Each and every member of the team improved their skills. We won 50% of our league games, but lost to Pontiox and Admiral in the playoffs. The prospects are excellent for next year with a possible three students moving to senior volleyball and 8-10 grade six students playing junior volleyball.

Boys

Mixed

The Boy's Team consisted of Lee Holbrook, Terry Palaschak, Mike Kozyn and Owen Klath. The Mixed Team consisted of Bradley Dixon, Jodie Nelson, Trevor Acker and Karen Hayes.

Curling

We only had enough people to make two teams this year. Both the mixed and the boys teams played well but only the boys were able to advance to District play.

In the District tournament which was held in Shaunavon on Feb. 20th and 21st, we had the following record:

Games one and three were lost to Frontier and Maple Creek respectively. Both these teams were evenly matched with our own and the games were close.

Game two saw Swift Current Comp, one of the strongest teams, go down to defeat in front of our boys. This knocked Swift Current Comp from the competition.

Thanks to all the members of our teams and our subs. Overall we did well but hopefully we can do even better next year.

The Badminton program has developed immensely in our school over the past two seasons. We played in the Shaunavon Tournament and the division tournament also held in Shaunavon. At each tournament our students played very competitive matches. Tracey and Terry won the "B" sides respectively in the categories at the Divisions. Tracey also won the "B" event at Swift Current. Karen and Jodie also travelled to Swift Current to take part in districts. The students deserve a lot of credit for their improved performance over the past season.

Track and Field

We had an excellent response to track and field this year. Twenty-three students took part in the track club and the division track meet. Nine students from grades 9-12 went on to represent the division at Swift Current. Three students; Brett Borneman, Karen Hays and Shawn Selanders went to provincials held in Saskatoon this year. This is an excellent achievement by the students to maintain and build their participation in track and field.

The track club consisted of the following students:

REMEMBRANCE DAY PARADE

Boys' Softball Girls' Softball

Senior Girls Softball

Thanks to the junior girls who came out, we were able to field a senior girls team. Our team consisted of seven senior girls and four junior girls plus three "back-ups", who were willing to fill the positions of the absent regulars.

The girls started out well, winning their first two games against Shaunavon and Ponteix. Playing with nine out of twelve players, our next two games were defeats. Those nine players did play well but they proved to be unsuccessful. They failed to make it to the play-offs this year but with the talent we have, Val Marie should make the play-offs next year.

Senior Boys Softball

The senior boys enjoyed one of their best seasons in the last few years. We won two games against Admiral and lost two games to Ponteix. The play-offs were postponed, so only one game was played. Ponteix won the game, but the boys had improved 100% over the season against them. The future looks very bright for next year as they improved so much this season.

Junior Boys Softball

There was a very significant number of boys interested in softball this year. We hosted the division tournament in conjunction with the Lions Club in Val Marie. The boys played very well but lost to Ponteix and Admiral in close competitions. The boys played their best this season and look forward to a better season next year.

Junior Girls Softball

The junior girls softball team consisted of some very enthusiastic players. They played in the Lions' tournament where they met with Ponteix and Shaunavon and won both games. Congratulations girls and good luck next year!!

Arm Wrestling

On April 14th, in Shaunavon, the Southwest Regional Arm Wrestling Championships were held. First, second, and third place winners here in Val Marie were eligible to go. In Shaunavon, Rhonda Borneman and Shawn Selanders both placed third.

Val Marie School held an Arm Wrestling clinic on April 6th and a Tournament on April 12th, with Alex Nicholson, Canadian Heavyweight Champion in attendance. The results of the tournament are as follows:

BUNS UNLIMITED

The human race is plagued with buns. As shown in this display they come in all shapes and sizes. Some bend, some sit, some walk, and some even get hung up. The buns epidemic got so carried away that one day Miss Miller tried to exercise some form of control. But to her dismay, she was savagely stopped by the notorious buns admirer of all times, Michael Harbor.
